Use your own cups

The Sigma Touch has sensors that allow you to use your own cups and mugs for drinks.

Simply place your mug in the drink delivery area and then select your drink.

Use Vegware compostable cups

Currently a compostable vending cup is not available, but 12oz compostable “take away” cups can be placed in a side pod dispenser and then placed in the drink delivery area when required.

MODEL	RENTAL PER WEEK	PURCHASE
SIDE POD WITH 3 CUP HOLDER AND BIN	£9.95 + vat Minimum 36 month contract	£1310 + vat
Dimensions:	Height	1830 mm
	Width	240 mm
	Depth	860 mm
12 oz Vegware Compostable Cups X 500	£48.50 + vat	

Cup Shredder

The Cafe Crush Cup Shredding machine enables you to shred and compact your cups reducing the amount of storage space required before disposal.

- Same height as most vending machines
- Shreds paper cups, plastic cups and stirrers
- LED counter screen shows a progressive number of cups
- Ticket system to issue points for each disposal
